What's it like to work on Ascension?

Ascension is a small volcanic island, situated in the South Atlantic, with a warm stable climate (26-34°C). We are part of the wider British Overseas Territory of Saint Helena, Ascension and Tristan da Cunha, situated approximately 1,000 miles from the mainland of Africa and 800 miles from our nearest neighbour, the island of St Helena. Ascension Island has no right of abode, so all people living on the island are employees or dependents of one of the organisations here. Children accompanying parents up to the age of 18 are dependents, following which they are either required to take up their own employment on the island, or move away.

Travel to and from the island is a challenge, even more so with current travel restrictions worldwide. A charter flight travels to Ascension via St Helena from the UK, and returns, approximately every 5-6 weeks. Teachers joining us for September would be required to fly to Ascension from the UK on 4 January 2021.

To thrive here on this unique, challenging and beautiful island, you must be resilient, adaptable and able to live and work in an incredibly small community.

Closing date: Monday 2 August 2021

First stage interviews: Early August, by Skype

Required start date: Fly to Ascension 4 January 2022 for period of compulsory isolation prior to start of term
