

Ascension Island Government

Invitation to tender

Consultancy service in respect of the design and nature of future new accommodation.

July 2023

Background

The Ascension Island Government (AIG) is seeking a registered company to provide a consultancy service in respect of the design and nature of future new accommodation.

Instructions and information for tenderers

Enquiries are welcomed from suitably qualified and experienced parties to provide specialist consultancy services to undertake an assessment of AIG's stock of accommodation and make recommendations for the future housing needs of Ascension Island.

A scope and detail on how to submit a tender is available. Interested parties should request a pack by emailing to David Mills by no later than **11 August 2023**.

Contact details

The point of contact within the Ascension Island Government for this tender is David Mills, Director of Facilities & Operations
